Surakarta

As highly dedicated informatics student who is striving for knowledge and experience, I consider myself as eager beaver, active, adaptive, and high achiever.

## Work Experiences

---

### **Festivo Metaverse Taskforce - Jakarta, Indonesia**

Feb 2022 - Jul 2022

#### *Fullstack Developer*

Festivo is a start-up company that was founded in 2014 as the first studio in Indonesia with expertise in virtual reality and 360° videos. Their core concept of "Humanizing Human". VR/AR should be immersive, easy, fun, and meaningful. They do not create technological boundaries between the users and vision. Creating a compelling narrative and storyline for vision using immersive media is their key philosophy.

- [manasikmaya.mayaraya.id](https://manasikmaya.mayaraya.id)
